25-5-42 That the Chief Secretary has decided to dispense with the services of the Special Revenue Inspector as the collections will be attended by the Chief Officer Lawley Inspector & the will collection work done by the Special Revenue Inspector from 23-10-41 to 21-4-42 is not at all satisfactory He has hardly collected one third of the arrears of 23 to 41

b) The D.C recommends the continuance of the Special Revenue Officer Inspector for this month as we are embarrassed by As the Asst Collector is primarily responsible for the collections is not willing to continue the services, the proposal cannot be accepted The Asst may demand to pay his salary which would create a difficult situation Hence the proposal cannot be sanctioned The D.C may address the Govt explaining that it is desirable to have a Revenue Inspector to attend to the collections

Sir

Subject - Regarding the continuance of the services of the Special Revenue Inspector, Chickmagalur Town Municipality

Adverting to Government Order No L 783-84/M1 7-41-6 dated 30th July 1941, sanctioning the resolution of the Chickmagalur Town Municipal Council to employ the services of a Special Revenue Inspector on a pay of Rs 35/- plus Conveyance allowance Rs 5/- per mensem for a period of six months, I have the honour to state that the incumbent, who was appointed to the post, joined duty on 23-10-1941 The Municipal Council resolved at their meeting held on 18th April 1942 that the services of the Revenue Inspector be terminated from 24-4-1942 As the arrears are still heavy the Municipal Council were advised to continue the servies of the official But they have again resolved on 25th May 1942 that there is no need for a Special Revenue Inspector

In this connection, I write to state that though the collection work during the year 1941-42 is better than in the previous years, the arrears are still heavy being Rs 10,920/- (Rs 9971 under assessed taxes and Rs 949/- under miscellaneous demand) As the services of the Suboverseer were discontinued, the Sanitary Inspector has to attend to public works also and cannot devote sufficient attention to collection work It may be further stated that the existing staff cannot attend to collection work satisfactorily and the services of the Special Revenue Inspector are absolutely necessary till the arrears are appreciably reduced

As the official was drawing a pay of Rs 40/- plus conveyance allowance Rs 10/- per mensem, in the Revenue Department, I recommend that the scale originally sanctioned may be kindly enhanced to 40/- plus C A 5/- per mensem Sanction of Government may be kindly obtained for continuing the official for another six months from 22-4-1942 The expenditure in this behalf till the end of June 1942 will be met out of the closing balance of the Municipality and for the remaining period during the current year, necessary provision has been made in the budget estimates for 1942-43

The connected records are enclosed

I have the honour to be
Sir,
Your most obedient servant,

Deputy Commissioner
Kadur District.
